Application for the role of Café Chef at St Stephen's Church

Thank you for considering the role of Café Chef at St Stephen's.

Our busy café is situated in the centre of the City and serves a wide variety of people, including families and people on the margins of society. The Café is staffed by a paid Café Manager and a team of dedicated volunteers, all of whom have a heart to serve the community and customers to the highest standard.

Due to the busyness of the Café, we need to employ someone in the role of Café Chef, to support the Café Manager and volunteers at the peaks in service that we have during the day. The role of Café Chef will be responsible for the preparation and delivery of fresh food, including the famous sausage rolls and toasties and will mean that others can ensure that high standards of customer service that we set can be maintained.

If you are successful in being shortlisted for this role, then we will invite you to be part of a shift, giving you opportunity to see how we work and also time to demonstrate your skills to us.

If you would like to discuss the role before applying, then please do not hesitate to contact Beckie Ward by email (Beckie.Ward@ststephensnorwich.org) or by appointment. Beckie's working days are Monday – Wednesday.

Further information about the Cafe and a video explaining our values can be found on our website <https://www.ststephensnorwich.org/cafe/>

We look forward to receiving your application.
