

Application for the role of Café Shift Manager at St Stephen's Church

Thank you for considering the role of Café Shift Manager at St Stephen's.

Our busy café is situated in the centre of the City and serves a wide variety of people, including families and people on the margins of society. The Café is staffed by paid Café Shift Managers with the Café Manager as their line manager. A team of dedicated volunteers, all of whom have a heart to serve the community and customers to the highest standard, are an integral part of our team and ministry.

Due to the resignation of one of our three Café Shift Managers, we are looking to recruit a new Shift Manager who has the catering skills, as well as the management skills, to run shifts on Friday and Saturdays (8 hours per shift), with the possible addition of another 8 hours (details to be negotiated).

There is a need for the person to have a practising Christian faith, as the role includes pastoral care of the volunteers and occasional prayer with customers. We recognise that the role is wide ranging, but we pray and trust that God will bring us the right person to become part of this ministry through the Café.

Further information about the Cafe and a video explaining our values can be found on our website <https://www.ststephensnorwich.org/cafe/>

If you are successful in being shortlisted for this role, then we will invite you to be part of a shift, giving you opportunity to see how we work and also time to demonstrate your skills to us.

If you would like to discuss the role before applying, then please do not hesitate to contact Beckie Ward by email (Beckie.Ward@ststephensnorwich.org) or by appointment. Beckie's working days are Monday – Wednesday.

We look forward to receiving your application.
